

Homework at Westminster City School is changing!

All homework will now be communicated to you on a website and app called **Show My Homework**. Homework will no longer be noted in planners. Pupils will get **positive points** for completing homework and for excellent homework. Detentions will be given for any missing or incomplete homework. Show My Homework can be accessed in the ways shown below. If you have problems accessing **Show My Homework** please call the support number on 0207 197 9550.

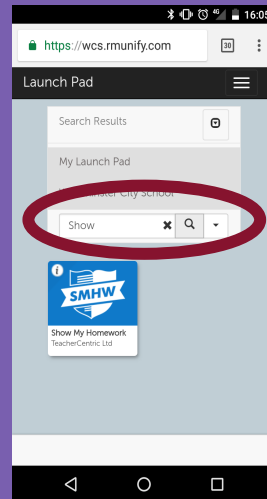

At School

1. Click on *Show My Homework* tile on your internet explorer homepage.
2. It will automatically log you in and you can view your homework.

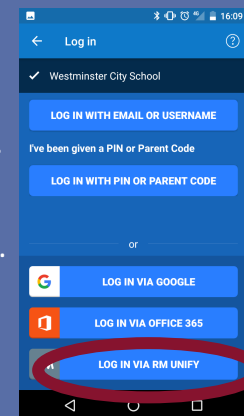

At Home

1. Go to <https://wcs.rmunify.com>
2. Sign in with your RM Unify username and password.
3. Click down on My Launch Pad and search for *Show My Homework*.
4. Click on it.

The App

1. Download the *Show My Homework* App from Google Play or the Apple store.
2. Search for Westminster City School.
3. Scroll down and click on the grey box at the bottom which says 'log in using RM Unify'.
4. In the username type your RM Unify username @wcs (e.g. 00RS01@wcs).
5. Then enter your RM Unify password.

School Website

1. Go to the school website www.wcsch.com.
2. Click on the *Show My Homework* tile.
3. Filter the homework by subject, teacher or class. You do not need a log in for this.
